

1. Product and Company Identification

Product Name: Chai Green qPCR Master Mix

Catalog Number: R02201

Manufacturer/Supplier: Chai Inc.
990 Richard Ave, Suite 110
Santa Clara, CA 95050
Phone: +1 (650) 779-5577

For research use only. Not intended for human or animal diagnostic or therapeutic uses.

2. Hazard Identification

Component	Description	Safety Information
Chai Green qPCR Master Mix	Mixture	Not a hazardous substance or mixture May cause mild irritation to the eyes and skin
ROX Reference Dye	Mixture	Not a hazardous substance or mixture

3. Composition/Information on Ingredients

Mixture. The product contains no substances which at their given concentration, are considered to be hazardous to health.

4. First Aid Measures

- | | |
|----------------------|---|
| A Skin Contact | Wash off immediately with plenty of water. If symptoms occur, obtain medical advice. |
| B Eye Contact | Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Consult a physician if necessary. |
| C Ingestion | Never give anything by mouth to an unconscious person. If symptoms persist, call a physician. Do not induce vomiting without medical advice. |
| D Inhalation | Move person to fresh air. If symptoms persist, seek medical attention. If not breathing, and if you are trained in cardiopulmonary resuscitation (CPR), perform artificial respiration as you wait for the emergency response team. |
| E Notes to Physician | Treat symptomatically. |

5. Firefighting Measures

- | | | |
|---|----------------------|--|
| A | Extinguishing method | Ordinary extinguishing procedures can be used in case of fire. |
| B | Extinguishing agent | Water, powder, CO ₂ , or bubble foam can be used. |
| C | Extinguishing media | No prohibited media. |

6. Accidental Release Measures

- | | | |
|---|---------------------------|---|
| A | Personal precautions | Avoid breathing vapors, mist or gas. Use personal protection equipment. |
| B | Environmental precautions | Prevent product from entering drains. |
| C | Methods for cleaning up | Soak up with inert absorbent material. Sweep up and shovel into suitable containers for disposal. After cleaning, flush away traces with water. |

7. Handling and Storage

- | | | |
|---|----------|--|
| A | Handling | Avoid contact with skin and eyes. Always wear recommended personal protective equipment. |
| B | Storage | Store protected from light and in properly labeled containers. |

8. Exposure Controls/Personal Protection

- | | | |
|---|-------------------------------|--|
| A | Control parameter | Prevent product from entering drains. Ensure adequate ventilation. |
| B | Personal protective equipment | <p>Hand Protection: Handle with gloves. Gloves must be inspected prior to use. Use proper glove removal technique (without touching glove's outer surface) to avoid skin contact with this product. Dispose of contaminated gloves after use in accordance with applicable laws and good laboratory practices. Wash hands and dry.</p> <p>Respiratory protection: Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).</p> <p>Eye protection: Safety glasses with side-shields. Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN166 (EU).</p> <p>Hygiene measures: Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and at the end of workday.</p> |

9. Physical and Chemical Properties

	Chai Green qPCR Master Mix	ROX Reference Dye
Appearance (physical state, color etc.)	Yellow-Orange liquid	Pink liquid
Odor	No information available	No information available
Odor threshold	No information available	No information available
pH	8 – 9	8 – 9
Melting point/freezing point	No information available	No information available
Initial boiling point and boiling range	No information available	No information available
Flash point	No information available	No information available
Evaporation rate	No information available	No information available
Flammability	No information available	No information available
Upper/lower flammability or explosive limits	No information available	No information available
Vapor pressure	No information available	No information available
Vapor density	No information available	No information available
Partition coefficient	No information available	No information available
Relative density	No information available	No information available
Auto-ignition temperature	No information available	No information available
Decomposition temperature	No information available	No information available
Viscosity	No information available	No information available

10. Stability and Reactivity

	Chai Green qPCR Master Mix	ROX Reference Dye
Chemical stability	Stable under recommended storage conditions	Stable under recommended storage conditions
Possibility of hazardous reactions	No information available	No information available
Conditions to avoid (e.g. static discharge, shock, or vibration)	No information available	No information available
Incompatible materials	Strong oxidizing agents	No information available
Hazardous decomposition products	No information available	No information available

11. Toxicological Information

A	Information on the likely routes of exposure (inhalation, ingestion, skin and eye contact)	No information available
B	Symptoms related to the physical, chemical and toxicological characteristics	May cause slight irritation to eyes and skin
C	Delayed and immediate effects; chronic effects from short- and long-term exposure	No information available
D	Numerical measures of toxicity (such as acute toxicity estimates)	No information available

12. Ecological Information

A	Ecotoxicity (aquatic and terrestrial, where available)	No information available
B	Persistence and degradability	No information available
C	Bioaccumulative potential	No information available
D	Mobility in the soil	No information available
E	Other adverse effects	No information available

13. Disposal Information

Dispose of contents/containers in accordance with local regulations.

14. Transport Information

A	UN number	None
B	UN proper shipping name	Not classified as dangerous under transport regulations
C	Transport hazard class	None
D	Packing group	None
E	Environmental hazards (e.g. marine pollutant)	None
F	Special precautions for user	None

15. Regulatory Information

- | | | |
|---|---------------------|---|
| A | SARA 302 Components | No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302. |
| B | SARA 313 Components | This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313. |

16. Other Information Including Information on Preparation and Revision of the SDS

For research use only. Not intended for human or animal diagnostic or therapeutic uses.

This information was acquired by diligent search and/or investigation and the recommendations are based on prudent application of professional judgment. The information shall not be taken as being all-inclusive and is to be used only as a guide. All materials, solutions, and mixtures may present unknown hazards and should be used with caution. Since Chai cannot control the actual methods, conditions, or volumes of use, Chai Biotechnologies Inc. shall not be held liable for any damages or losses resulting from the handling or from contact with the product as described herein.

THE INFORMATION IN THIS SDS DOES NOT CONSTITUTE A WARRANTY, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE.
